Mrs. Hill:

Thank you for your recent and very generous donation of \$200.00 to The Pet Care Trust and our *Pets in the Classroom* program. We appreciate the trust you've shown in us and in the work we do. Knowing we have the sincere and personal support of pet proponents like you is very encouraging.

You can be sure your donation will have long-term impact on children and schools in your community and throughout North America.

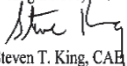

Teachers have limited resources to support classroom activities. The *Pets in the Classroom* program provides elementary and middle school teachers with in-class enrichment that enhances the learning environment. Your financial gift gives teachers a powerful teaching tool that helps instill respect for life in their students, showing them how their behavior affects others — both animals and people.

The program creates learning opportunities that helps teach the value of responsibility. Studies show that the presence of pets can decrease anxiety in the classroom, strengthen social skills, improve self-esteem and even improve performance.

The Pet Care Trust is a tax-exempt charitable organization under section 501(c) 3 of the Internal Revenue Code (Tax ID#52-1684353). A portion of your donation may be tax deductible for federal income tax purposes – consult with your tax advisor.

Thank you again for your generosity and support.

With gratitude,

Steven T. King, CAE
Executive Director
